

RDPE LEADER FUNDING

Are you a Community Group or Parish Council?

Do you have a project requiring relatively small-scale capital funding?

Will your project specifically benefit people living in the Island's rural area

If you can answer 'yes' you may be eligible for LEADER funding

GRANTS ARE AVAILABLE FOR PROJECTS THAT:

- Support village renewal and development e.g. infrastructure projects that develop or enhance community buildings, village approaches, main streets, amenity spaces and village landscapes
- Support the expansion of cultural and leisure activities e.g. development of community buildings to provide basic services
- Help local community groups seeking to maintain, restore or upgrade local cultural heritage

THINGS YOU SHOULD KNOW

- Match funding must be found with payments made retrospectively
- Maximum grant available is £50,000
- The two-stage application process may be onerous for small projects
- Projects will be assessed on a competitive basis

PROJECTS SUPPORTED TO DATE INCLUDE:

Play area, signal box restoration and renewable energy installation
